Hey DJ,

Hoping the pain subsides soon.

Deal is in the works with the Mayor. That letter is expected from the Mayor any minute.

Trudeau is going to be pissed.

Hi Eva,

I will be back tomorrow. Today is the second most painful day of my life but I should be able to manage the pain tomorrow and be a little less out of it.

Can you please send myself and Dagny a copy of whatever you have drafted for the premiers before it goes out? I assume Ryan Olson and Peckford have been consulted in this and it's part of the closing strategy we had discussed.

I just want to make sure we are all up to speed on what's happening from a messaging standpoint. Worked with Peterson on this earlier today and will have a Dagny draft something based on our conversation.
